The Auckland Council Grants team will spend the time from the round closing date until shortly before the decision date assessing your application. During this time we may send you questions about your application.

The local board members for the board you have applied to will then review your application and fund, partially fund or decline based on the priorities set for the board and the strength of your application compared to others in the round.

After the decision date (found on the local board programme) you will receive an email informing you of the outcome. This may also include some conditions, such as the funding may only be used towards certain parts of the project.

If you have used an umbrella group the money will be sent to them and you will provide them with proof on what you need to purchase, then they will organise payment.

Please hold on to any receipts, bank statements or other ways of showing the funding has been spent, as within two months after the end date of your project you will need to complete an accountability form. This does not include unpaid invoices.
