* indicates a required field

Nathan Homestead Pukepuke is an iconic and treasured community place in Manurewa where people create, celebrate, and connect, while surrounded by nature and history. The historic homestead and grounds host exhibitions, creative activities, and community events. Inside Nathan Homestead Pukepuke's two first floor exhibition spaces can be used separately or together and are supported by an installation team. Your project would be included in Nathan Homestead's quarterly programme. Exhibitions receive additional marketing support including printed promotional postcards. Additional pop-up display spaces are available in the sitting room and main foyer, both conveniently located on the ground floor of the building. The gardens of David Nathan Park including the water tower and native bush walk, are also available for temporary outdoor pop-up projects and events. We are calling for creative projects from groups, collectives or individuals interested in exhibiting and/or creating unique projects, programmes, or events at the Arts Centre to be held during the year 2027 (January – December).
