### Regional Environment Grants Programme Eligibility Criteria

**To be eligible to apply to the Regional Environment grants programme services, projects or activities are required to primarily address regionally determined priorities.**

Please refer to [The Applicant Guide to the Regional Environment and Natural Heritage Grant Programme 2022/2023](#) for more details.

*Note: Environmental projects or activities which do not meet criteria for regional funding may be eligible for funding through other available council grants. Please contact Auckland Council Environmental grants staff for further information or email: [eirin.peterfreund@aucklandcouncil.govt.nz](mailto:eirin.peterfreund@aucklandcouncil.govt.nz) or [grants@aucklandcouncil.govt.nz](mailto:grants@aucklandcouncil.govt.nz)*

Kaitiakitanga

**Projects or activities that align with, enable and empower mana whenua and/or mataawaka in the exercise of kaitiakitanga in Tāmaki Makaurau, such as:**

- Protection and / or enhancement of wāhi tapu and wāhi whakahirahira, significant or sacred sites.
- Protection, restoration and enhancement of taonga species and indigenous biodiversity.
- Weed and pest control on marae and in Māori communities.
- Cultural health monitoring programmes.
- Community and / or educational programmes that sustain and promote kaitiakitanga values and practices.
- Wānanga to share mātauranga in relation to te ao tūroa and to ensure the process of taonga tuku iho is maintained.

Conservation

**Projects or activities should contribute to:**

# Regional Environment and Natural Heritage Grant 2022/2023

## Form Preview

- The effective management of a regionally prioritised indigenous ecosystem or species (including threatened ecosystems; scheduled Significant Ecological Areas in the [Auckland Unitary Plan](#), or sites of ecological significance scheduled in the Auckland Council District Plan - Hauraki Gulf Islands Section).
- The delivery of a landscape level actions that connect to other restoration projects.
- The management of plant and animal pests identified in the [Regional Pest Management Plan](#), particularly those affecting priority indigenous ecosystems or species in the Auckland region.
- The effective management or recognition of important geological sites in the region (including Outstanding Natural Features scheduled in the Auckland Unitary Plan or of geological items scheduled in the Auckland Council District Plan - Hauraki Gulf Islands Section).
- Supporting Māori outcomes.
- Kauri Protection projects: Projects that prioritise the health of kauri and kauri ecosystems e.g., Fencing projects on private properties to prevent stock pressures or treatment programmes to treat kauri that have kauri dieback disease.
- Projects that raise awareness, drive behaviour change and target education of industry, private landowners, schools and/ or community groups to protect kauri/ myrtles and reduce risk of kauri dieback disease and/ or Myrtle Rust.

Auckland Council restoration advisors in your region may be able to assist you with developing a restoration plan for your site. Please email [pestfree@aucklandcouncil.govt.nz](mailto:pestfree@aucklandcouncil.govt.nz) to get in touch with one of our restoration advisors.

Healthy waters

### **Projects or activities should contribute towards the protection, enhancement or the restoration of streams, waterways, wetlands, riparian and coastal margins.**

- Funding is available for fencing of waterways and native restoration planting and plant maintenance within fenced-off areas.
- Fencing should be permanent 7- 8 wires properly strained, unless an alternative is better suited to local conditions such as flooding risk or land management considerations.
- To be effective, a minimum riparian strip width of 3-5 metres is required. Preference is given to projects with wider strips.
- All plants should be eco-sourced and appropriate to the planting area.
- Contribution towards Māori outcomes
- Educational and/or community programs surrounding water quality that promote waterway protection and erosion control. Projects currently delivered across Auckland and those with a limited reach are both eligible.

Auckland Council restoration advisors in your region may be able to assist you with developing a restoration plan for your site. Please email [pestfree@aucklandcouncil.govt.nz](mailto:pestfree@aucklandcouncil.govt.nz) to get in touch with one of our restoration advisors.

Yes  No

For guidance on whether you have a perceived, potential or actual conflict as a result of applying for and using grant funding you should consider the following matters - if in doubt you should declare the conflict.

A conflict of interest could arise where you (the applicant) have a responsibility as a result of receiving council grant monies. This could affect another responsibility, duty or relationship you may also have.

For example

- If you are an Auckland Council employee/local board member or a councillor
- If your organisations committee or board member is an Auckland Council employee/ local board member.
- Personal or family relationships that you have
  - with council employees
  - with council contractors
  - organisations or persons that you will procure services from with the grant monies
- Financial relationships
  - e.g. investments that you have in entities that you will procure services from with the grant monies
- Employment relationships or membership of clubs
  - e.g. you intend to procure services with the grant monies from your employer or a club you are a member of - who will benefit financially from the arrangement.
