For guidance on whether you have a perceived, potential or actual conflict as a result of applying for and using grant funding you should consider the following matters - if in doubt you should declare the conflict. A conflict of interest could arise where you (the applicant) have a responsibility as a result of receiving council grant monies. This could affect another responsibility, duty or relationship you may also have. For example If you are an Auckland Council employee/local board member or a councillor If your organisations committee or board member is an Auckland Council employee/local board member. Personal or family relationships that you have with council employees with council contractors organisations or persons that you will procure services from with the grant monies Financial relationships e.g. investments that you have in entities that you will procure services from with the grant monies Employment relationships or membership of clubs e.g. you intend to procure services with the grant monies from your employer or a club you are a member of - who will benefit financially from the arrangement.

If you have answered no to any of the above, please provide details below: *

I/We understand that Auckland Council is bound by the Local Government Official Information and Meetings Act 1987 I/We understand that my/our name and brief details about the project may be released to the media or appear in publicity material I/We understand that I/we have the right to have access to this information I/We undertake that I/ we have obtained the consent of all people involved to provide these details.

*

☐ No

Privacy

Any personal information that you provide in this form will be held and protected by Auckland Council in accordance with our [privacy policy](#) and with the Privacy Act 2020. Our privacy policy explains how we may use and share your personal information in relation to any interaction you have with the council, and how you can access and correct that information. We recommend you familiarise yourself with this policy.

A summary of the information in this application will be presented to the local board at a public workshop. Information includes the project seeking funding for, expected outcomes, the funding history of the applicant and costs applied for. The name of the applicant and legal status will be included, though addresses and contact details will not be.

The personal information collected in this application will be used to ensure we have points of contact for this application and to give the local board the best idea of what the project is trying to accomplish and what staff are involved.

A brief summary of this application may also be used for media releases. The accountability information may also be used in good news stories in the media, though this is voluntary and permission is asked on the accountability forms.

For an example of the details given you can find minutes and attachments at the [Auckland Council Agenda and Minutes page](#).
