

## Bank Proof – suitable documents

1. A blank pre-printed bank deposit slip identifying the bank, confirming the bank account holder's name and expressing the bank account number.
2. A bank statement or bank receipt identifying the bank, confirming the bank account holder's name and expressing the bank account number must be less than 6 months old.
  - a. On bank letterhead
  - b. If it is not on a bank's letterhead document, then the document will need to be bank certified (stamped and signed by a bank official)
3. A letter from the bank on the bank's letterhead identifying the bank, confirming the bank account holder's name, expressing the bank account number.
4. A print screen or image capture of an on-line bank statement identifying the bank, confirming the bank account holder's name and expressing the bank account number. This must also show part of the online address as follows:

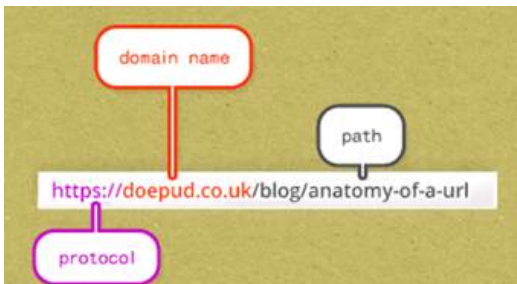

We need:

- the protocol (https for a secure site)
- the domain name (bank name)
- the lock (padlock) icon

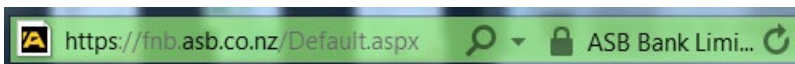

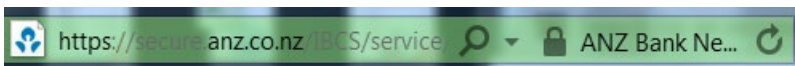

We don't want:

- The path

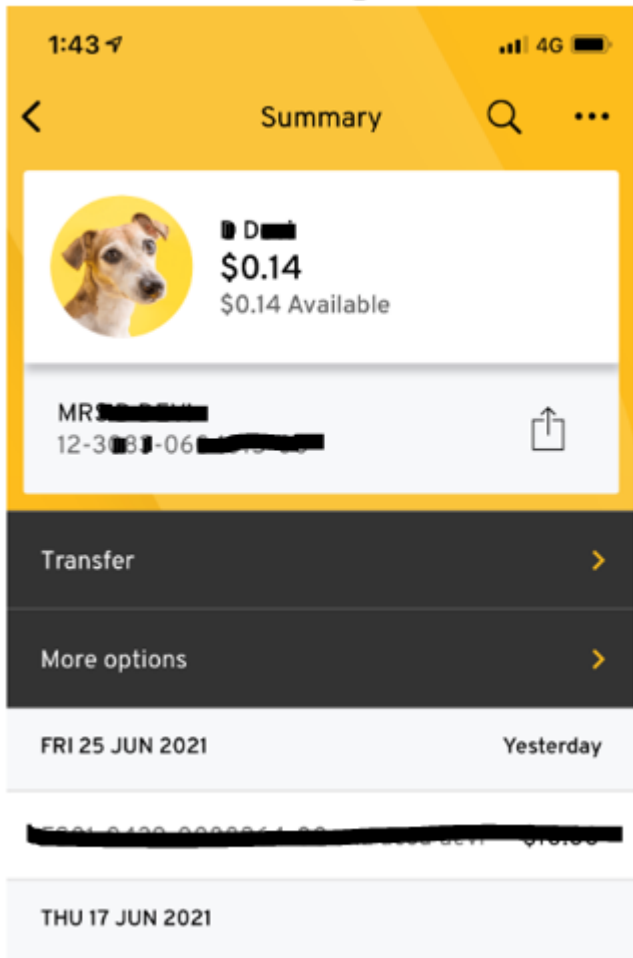

**PLEASE DO NOT REQUEST OR PROVIDE A COPY THAT INCLUDES THE FULL URL.**

Examples of what we might expect to see:

5. Mobile phone bank app

6. For non- bank deposit takers, e.g NZHL (NZ Home loan) letter head is acceptable as bank proof
